

BBH HIGH SCHOOL PSO 2023

NO-FUSS FUNDRAISER

**\$5000
GOAL**

**Raffle
Prizes!**

BBHCSD prides itself on being one of the finest school districts in Northeast Ohio. Our PSO echoes that sentiment and recognizes the crucial role our families play in contributing to the success and proud heritage of our district. We thank our families for doing everything possible to provide the highest level of support they can to offer our students the best educational experience possible and preparing them for the pathway to adulthood.

To continue with the tradition of great support for our students, the PSO is having a "No-Fuss Fundraiser" from September 18 - 29 with a goal of raising \$5000! With suggestions from our principal, Mr. Jakub, and approved by our Gifts and Goals Committee, the High School PSO has selected one-way window security screening with our BEES logo for our main entrance and windows that will add to the safety of the school as well as add to the feeling of belonging to this great community. This is all part of a bigger project the school has in mind to better brand our building with our proud heritage. Any additional funds left will be contributed to update amenities in the library as part of a larger sponsored project.

TO DONATE**

Example of window screening

Our goal is to have every family participate in this fundraising event! Families should feel free to donate any amount they feel is appropriate. As an incentive to our families (especially students), we are offering an entry in our raffle for every \$20 donation. Multiple raffle drawings will occur during our two-week fundraiser .

On behalf of the BBH High School PSO Executive Board, Mr. Jakub, and High School Staff, we are thankful for your support and for being a part of our community!
